Notice from Nicole McAnulty, Owner of Carbon Valley Insurance Agency:

I am writing this letter to you with mixed emotions. I am now announcing my retirement from Carbon Valley Insurance effective March 26th, 2021. This has not been an easy decision as helping you with your insurance needs has been a great source of satisfaction and pleasure these past years.

I am anxious that you continue to receive top-notch quality customer service. To that end, I would like to introduce Ivan Gerrity, the owner of Advantage Service Insurance. As of March 27th, 2021, Ivan Gerrity and his staff will be taking care of all your insurance needs. Advantage Service insurance has been helping clients since 1996 and is looking forward to making the transition as painless as possible. Please call anytime for all your insurance needs and be sure to reach out to Advantage Service insurance before your policy(s) renew so they can shop around to find you the best value for your money!

I thank you for your many years of loyalty and friendship.

Sincerely,

Nicole McAnulty
